MESSAGE FROM THE OFFICIATING DIRECTOR GENERAL

With great pleasure, I present the National Revenue Report of the Department of Revenue and Customs, Ministry of Finance for the fiscal year ending June 30, 2022. This report reviews the performances of mobilization of domestic revenue during the fiscal year.

Total domestic revenue collected during the year was Nu. 39,043.073 million and our net revenue collected exceeded by 8.9 percent as compared to previous fiscal year's revenue. The tax revenue significantly increased by 25.1 percent as our economic activities resumed after the pandemic and tax to GDP represented 13.7 percent.

To raise tax as well as non-tax revenue objectively and enable taxpayers to meet their tax obligations, our department has continuously created awareness through media platforms and provided taxpayer awareness programs.

Bhutan, managed to overcome many challenges along with the other nations mainly because of His Majesty the King's persistent efforts and the support of the government and people have enabled Bhutan to make massive steps in battling the global pandemic. His Majesty emphasized the need to work towards a developed, economically strong nation and to embrace accountability.

The department looks forward to committing continuously to strive for contributing to nation building and to the national vision of Gross National Happiness through enhanced and fairer revenue mobilization & effective administration, while maintaining taxpayer's confidence in the system. The people of Bhutan are indeed fortunate to have been born in this most blessed country.

I would like to thank the ministry of finance for their support and guidance, along with all Department of Revenue and Customs and its regional staff for their dedication and contribution. I also wish to acknowledge and thank taxpayers and collecting agencies for their contribution.

The graph below represents the comparative gross revenue collection for the fiscal year 2021-2022 and previous fiscal year 2020-2021;

Composition of taxes, other revenue, current and capital revenue under Thimphu RRCO;

2. PHUNTSHOLING

The revenue collected for the fiscal year 2021-2022 was Nu. 7,788.081 million which was an increase of 39.4 percent higher than the previous fiscal year 2020-2021 of Nu.5,206.860 million. The reason for increase in the collection was due to relaxation of all the restrictions imposed by multiple lockdowns in Phuntsholing. All businesses were resumed to operate in full swing leading to higher growth in revenue generation compared to the previous fiscal year. It contributed 19.6 percent to the total gross revenue collection.

Corporate Income Tax collected drastically increased to Nu.1,274.961 million in the fiscal year 2021-2022 by 120.6 percent compared to Nu.578.042 million in the previous fiscal year 2020-2021. The overall growth was due to an increase in ferro silicon price in the year 2021. 66.38 percent of CIT collected was contributed by Ferro silicon companies. Corporate Income Tax constitutes 16.4 percent of the total revenue.

Revenue collection from sales tax amounted to Nu.3, 603.079 million which was an increase of 32.2 percent from Nu.2, 726.439 million in the fiscal year 2020-2021. The overall increase is mainly due to reopening of all hotels & restaurants in Phuntsholing after lifting all restrictions of Covid-19 protocols. Sales Tax contributed 46.27 percent to the total revenue, an increased in import of goods and commodities from neighboring countries led to escalation cost of goods and increased sales tax collection from goods & commodities. There was a significant increase on account of dividend from Bhutan Lottery Limited amounting to Nu.80.000 million in the fiscal year 2021-2022 compared to Nu. 6.00 million in the previous fiscal year 2020-2021.

4. SAMTSE

The total revenue collected during the financial year 2021-2022 was Nu. 1,700.481 million, an increase by 144 percent from the previous fiscal year of Nu. 696.878 million. The total collection from Corporate Income Tax for the fiscal year 2021-22 was Nu. 747.617 million, an increase by Nu. 520.254 million against the previous fiscal year 2020-2021 of Nu. 227.363 million. The collection saw a considerable increase of 228.8 percent against previous fiscal year. It was mainly contributed by State Mining Corporation Limited as it paid a CIT of Nu. 699.638 million in the fiscal year 2021-22 compared to Nu.167.759 in the previous fiscal year 2020-2021 showing an increase of Nu. 531.879 million.

During the fiscal year 2021-2022, the collection against customs duty on goods & commodities was Nu. 3.041 million which is an increase by 359.4 percent compared to the previous financial year's collection of Nu. 0.662 million. The increase was prompted mainly by the pandemic whereby the importers declared all the goods & commodities at the entry point.

Further, there was a significant increase in collection from Royalty on Mines & Minerals due to the change in the payment modality. Initially, the mining companies under the jurisdiction of RRCO Samtse were mandated to deposit their royalty to Regional Trade Office, Phuentsholing owing to which the revenue collected against Royalty on Mines & Minerals were accounted under Regional Revenue & Customs Office, Phuentsholing.

The Capital Revenue for the fiscal year 2021-2022 recorded at Nu.303.378 million which was an increase by Nu. 301.001 million from previous fiscal year 2020-2021 of Nu. 2.376 million. The increase was mainly due to an increase in collection against the Dolomite Mine Bid Value, Gypsum Mine Bid Value and auction proceeds of dredging and Riverbed Material Bid Value.

The graph below represents the comparative gross revenue collection for the fiscal year 2021-2022 and previous fiscal year 2020-2021;

5. SAMDRUP JONGKHAR

The total revenue collected by RRCO Samdrup Jongkhar for the fiscal year 2021-2022 was Nu. 1,177.824 million, with an increase by 67.8 percent or Nu. 475.901 million of the previous fiscal year 2020-2021 of Nu. 702.031 million.

The Corporate Income Tax collected for the fiscal year 2021-2022 was Nu. 245.221 million with an increase of 870.4 percent as compared to previous fiscal year 2020-2021 of Nu. 25.269 million. The increase was mainly due to the improved performance of the M/s Sonam Drukpa Eastern Bhutan Ferro Silicon Private Limited. During the previous income year, the company sustained losses, and no CIT was paid. However, in the year 2021, the company made a considerably high profit as compared to previous year because of the rising price of silicon. M/S SDEBSPL alone had paid the total provisional tax of Nu. 210,425,679.49 for the income year 2021. The Personal Income Tax collected for the fiscal year 2021-2022 amounts to Nu. 138.622 million, as the significant increase in PIT was attributed to the first ever declaration of dividend by M/s SD Eastern Bhutan Ferro Silicon Pvt. Ltd. The company had declared a 400 percent dividend and deposited TDS of Nu. 56 million.

The graph below represents the comparative gross revenue collection for the fiscal year 2021-2022 and previous fiscal year 2020-2021;

7. PARO

The total revenue collected under RRCO Paro for the fiscal year 2021-2022 was Nu. 458.693 million with an increase of 11 percent as compared to the previous fiscal year of Nu. 411.623 million.

The revenue from BIT and CIT recorded an increase of Nu. 14.362 million and Nu. 9.846 million respectively. The increase in BIT and CIT was mainly attributed to proper tax planning, risk management and information sharing by the key stakeholders. Besides, the true records of the import statistics by the business units at the MDP has also facilitated in estimated tax filing by the trading sectors. However, PIT has recorded a decrease in revenue by about 12.2 percent from Nu. 126.463 million to Nu. 111.039 million. The decrease was mainly due to the revisions of deductible expenditures like education expenses, sponsored children and increasing unemployment due to COVID-19 pandemic.

The revenue from sales taxes collected for the fiscal year 2021-2022 was Nu. 55.657 million and increased by 88.7 percent as compared to the previous fiscal year of Nu. 29.485 million. The increase is mainly attributed to the gradual opening of the economic activities and follow-up on outstanding taxes, and assessment of potential taxpayers. Further, the total import value is recorded at Nu. 7,616.99 million in fiscal year 2021-2022 registering an increase of 278.37 % as compared to previous fiscal year 2020-21 Import value of Nu. 2,736.29 million. The increase as compared to the previous financial year was mainly due to a high value import of computers, laptops and servers of more than 3,044 million, COVID-19 and other vaccines and COVID-19 test kits of more than Nu. 2,000 million. The COVID-19 pandemic has also affected the flight operations and has severely reduced both cargo and passenger movements which has started improving with relaxations from March 2022 onwards.

8. MONGAR

The RRCO Mongar has collected gross revenue of Nu.356.978 million for the fiscal year 2021-2022 with an increase of 8.4 percent as compared to previous fiscal year of Nu. 329.365 million.

The CIT collected for the financial year 2021-2022 was Nu. 24.050 million which was a decline of 37% as compared to the previous financial year 2020-2021 of Nu.39.190 million. The major contributor for the CIT is from the service sector. However, due to the Covid19 pandemic, the service sector especially the construction entities couldn't perform well due to the less capital budget, further tax administration could complete only 47.6 percent in field assessment.

The BIT collection for the fiscal year 2021-2022 was Nu. 62.169 million which is an increase of 31.5 percent as compared to the previous fiscal year 2020-2021 of Nu. 47.261 million. The increase in the BIT attributed from assessment focused on potential taxpayers and use of import and export data as a tool for assessing BIT. Further, the transfer of remittances pertaining to import and export through the Real Time Gross Statement (RTGS) has improved the system of declaration of purchase at the point of entry and exit.

The PIT collection for the fiscal year 2021-2022 was Nu. 112.439 million which was an increase of 18.5 percent as compared to the previous fiscal year 2020-2021 of Nu.94.869 million. The increase in PIT was due to the 100 percent coverage of assessment and conduct of rental surveys. The major contributor to the increase in the CIT/BIT was due to registration and the deposit of 2 percent & 3 percent TDS by Kholong Chhu Hydro Energy Limited (KHEL).

The revenue collected from other revenue, and current was increased by 6.8 percent and 6.6 percent respectively as compared to previous fiscal year 2020-2021.

The graph below represents the comparative gross revenue collection for the fiscal year 2021-2022 and previous fiscal year 2020-2021;

III. Tax Expenditure

The Tax foregone in the year 2021 was estimated at Nu. 3,312.279 million. The revenue foregone from CIT/BIT, Customs Duty, Sales Tax, and Green Tax was Nu. 120.073 million, Nu. 1,447.882 million, Nu. 1,736.929 million, Nu. 7.395 million respectively.

In order to stimulate private sector growth, generate employment opportunities and entice foreign investments in Bhutan, the government had formulated Fiscal Incentives 2017. It was to promote thrust sectors such as education, tourism, ICT, manufacturing, CSI's for balanced economic growth. The new Fiscal Incentive 'FISCAL INCENTIVES 2021' was introduced on 29th November, 2021 with an objective to further stimulate the economy which was affected severely by Covid-19 pandemic. The tax forgone amount is a compilation of tax exemption granted to small and rural business units in rural areas and tax holiday granted to BIT and CIT filers in accordance with FI 2017.

For the year 2021	Revenue forgone (Nu.in millions)
CIT/BIT	120.073
Customs Duty	1,447.882
Sales Tax	1,736.929
Green Tax	7.395
Total	3,312.279

Under Sales Tax, the highest revenue forgone was from exemption and refund on vehicles amounting to Nu. 374.68 million. Exemption on vehicles includes the vehicle import quota provided to public servants and staff/diplomats of the international organization/embassies, refund for public transport and also the exemption on tourism sector vehicle imports. Exemptions to the manufacturing sector, which includes import of plant and machinery and raw materials was second highest amounting

to Nu. 354.77 million. Exemption on hydropower projects amounted to Nu. 108.686 million which was similar in 2020 with exemption amount of Nu. 123 million indicating similar economic activities in the sector in the 2 years. Indicative of the picking up of economic activities as a whole, exemptions to all exempt parties/ persons were at the same levels in 2020 and 2021 as compared to lower exemptions in 2019, indicating slower economic activities.

The pie chart below shows the percentage of tax foregone under each revenue source;
